4. [redacted] Called Senator Dewey Bartlett's (R., Okla.) office and arranged for a debriefing of the Senator which was conducted this afternoon by Messrs. [redacted] NIO, [redacted] OSR, and [redacted] OCI. We met the Senator in his office and Jim Smith, of the Senate Armed Services Committee staff was also present. The Senator and Smith were very generous and cooperative in giving us a rundown on their trip to Berbera, Somalia over the July 4th recess.

I told the Senator that his secretary, Mary Ann Freeman and I both had a tickler on our calendars to arrange for Carl Duckett to meet with the Senator on Soviet missile programs at the Senator's convenience.
